

Corstorphine & Wright

Architect – UK wide

We are Corstorphine & Wright, an award-winning, AJ100 architectural practice with studios across the UK. We are a dedicated team of 200+ enthusiastic individuals that care about creating places that foster human connection while adding commercial, civic, environmental, and social value.

Due to exciting developments across the public sector, we are looking for talented Architects to join our aspiring team! You will be working closely with our clients to ensure the designs are functional, comply with client design guides and within budgetary restraints.

As part of the role you will enjoy an interesting mix of responsibilities which includes:

- Working closely with a team to help deliver projects at all levels of the RIBA Work stages.
- Assist with the development of architectural designs that meet client aspirations.
- Working closely with the team leader to manage resources, time and implement best practice.
- Liaising with all statutory authorities.
- Supporting bids and feasibilities to help secure new work.
- Work closely with construction professionals at all levels.
- Help clients develop project briefs and establish drivers.
- Be an active participant in the studio's CPD program.
- Working with client's confidential and commercially sensitive information.

We want to hear from you if you have:

- SC/BPSS clearance (prerequisite).
- A proven record of managing and delivering projects (Ideally commercial workplace).
- Client facing experience and previous management of multiple stakeholders.
- Proficiency in the latest software tools e.g. Revit, AutoCAD, BIM.
- Enthusiastic about design and creativity.
- Excellent design and presentation skills.
- Excellent project management and planning skills.
- Proven experience in managing time-sensitive and budget constrained projects.
- Desire to develop your career and professional development.

Maintaining a talented and successful team matters to us! Working together with others to share resources and information across the business, seek continuous improvement to develop individual capability and that of the team and being self-motivated and reliable are traits that are highly desirable for any of our roles.

What you will get in return:

Our people are at the heart of what we do. We offer a competitive salary and benefits package that promotes a work-life balance and supports your professional development needs. Life assurance, bonus scheme, Cycle to work scheme, Employee Assistance Program, hybrid working opportunities, regular social activities plus more are among some of the benefits on offer to our Corstorphine & Wright colleagues.

Corstorphine & Wright is an equal opportunity employer. We celebrate and support diversity and we are committed to creating and maintaining an inclusive environment throughout the employee lifecycle.
